

# **PROPOSAL to The Memphis Charter Commission**

We would like to propose that all future vacancies on the City Council and The Memphis City School Board be filled through a random drawing (lottery) of registered voters until the next scheduled election.

## **Vacancy in office (Memphis City Council and Memphis City School Board).**

Upon any vacancy occurring in the Memphis City Council or Memphis City School Board by a death, resignation, removal, or otherwise, the Shelby County Election Commission, will select a voter through a lottery drawing to fill such vacancy, who shall hold office until his/her successor shall be elected and qualified.
